

HP Users “Happiest Overall”

Storage Magazine & Diogenes Labs Quality Awards 2008 Enterprise Backup & Recovery Software

Customers rated HP Data Protector #1 for...

Initial Product Quality

Sales Force Competence

& Would Buy This Product Again

About the survey: The Diogenes Labs-Storage magazine Quality Awards are designed to identify and recognize products that have proven their quality and reliability in actual use.

Our methodology incorporates statistically valid polling that eliminates market share as a factor.
